RESTAURANT INFORMATION AND ADDITIONAL INFO

There are lots of restaurants to choose from in the Addison area, so lunch won't be any problem at all. I will have a list of possible choices that you can pick up when you check in. Most of them are within 10-15 minutes of campus – most are closer!

We will be trying as hard as we can to stay on schedule, so plan to arrive early and have your students at their judging rooms with time to spare. There will be three warm up rooms in the Fine Arts building for your students to use before their performances. We do not have a large space for ensemble warm ups, but we do have a larger ensemble practice room that will accommodate most groups.

The schedule for Saturday has been posted on the website so that you can arrange your students accordingly. Students need to bring their D4 forms with them, filled out and ready for the judge. They also need an original copy of their music with the measures numbered. Encourage your students to dress nicely, behave politely and put their best foot forward. Please give us a call if you have any questions, and we'll see you on Saturday!
