

The stage (for bands and orchestras) will be set up in a traditional semicircle style. Please indicate below:

- 1) how many seats you need per semicircle,
- 2) how many stands per semicircle, and
- 3) the approximate position of your percussion needs.

A work crew will set up the approximate seating arrangements as quickly as possible, but your players may have to adjust stands to suit their needs.

Percussionists should bring their own small percussion items: triangles, cymbals, wood blocks, **sticks and mallets**. Percussionists from each group should be available as soon as possible to set up their section while the overall seating arrangements are being done.

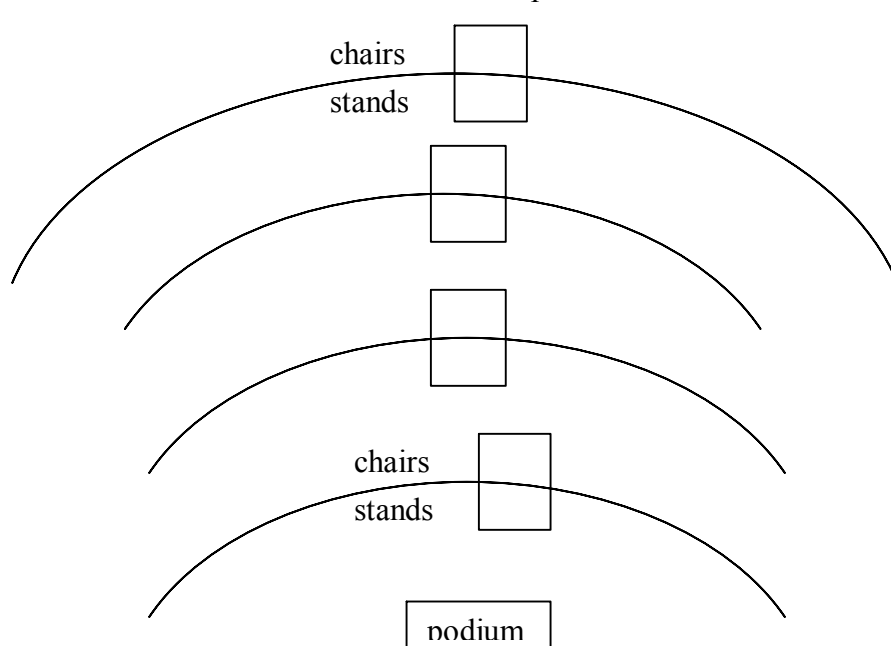

A list of percussion instruments will be made available from the contest host. Check the web page for details.

If you are entering a choir, please indicate the number of students you have in the ensemble as well as how many risers you may need.

Number of students: \_\_\_\_\_ Number of risers: \_\_\_\_\_

Number of stands  
 for percussion:

Indicate percussion as needed.
