All TPSMEA members who submit entries to All-State must be present for the adjudication process or send a qualified proxy. With Vocal Division Vice President's approval, a director may pay a proxy judge fee set by the State Board in lieu of sending a proxy judge.

- f) In order for a student to qualify for the TPSMEA All State Choir the student's audition recording must be fully complete, having performed the entire official audition cut. All judges will score what they hear and make note of any incomplete recordings. - g) To be certified to advance to the next round of auditions or participate in a performing ensemble, an entrant must have an adjusted raw score of greater than 150.
